INTERNAL QUALITY ASSURANCE CELL

Academic and Administrative Audit (AAA) Report for A Y 2024-25

Internal Quality Assurance Cell was (IQAC) was established as per guidelines NAAC to achieve the vision, mission, and objectives of the institution. This prime objective was fulfilled by the curricular, co curricular and extra curricular activities of the students and progressive performance to achieve course as well as Programme outcomes. IQAC have taken initiatives for continuous efforts toward development and improvement of students with respective various aspects of academic / curriculum and other than academic enrichment and also develop personality , language and communication skill and employability of students to develop not only knowledge but also practical skill by providing such opportunities. Apart from the curriculum and academic activities; collaborative MOUs with institutes and industries, help to students for training , visits at educational and industrial units for availing live practical skill and new and advanced techniques.

IQAC has significantly contributed for the quality assurance strategies and processes. IQAC achieved quality audit through reviews, report of programme committee and feedback collected from stake holders.

1. Review of programme committee report related to teaching, learning process. Programme committee perform the function of reviewing of the teaching learning . Process, structures and methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various curricular, cocurricular and extra curricular activities.
2. Review of feedback collected of stake holders includes Students, teachers, alumni feedback collected and Action Taken Report (ATR) reviewed.
3. IQAC quality audit report based on IQAC Action Taken Report (ATR) and review of progressive performance report and feedback collected from stake holders.
